

Stackable Credentials Study

(Non-Award) Enrolment

Guidelines for Stackable Credentials Study

Stackable Credential units are offered as individual units, within a non-award program do not normally lead to a recognised qualification. Studies undertaken as a Stackable Credentials student do not guarantee a future place in a University award course. Credit for a successfully completed Stackable Credentials unit (excluding bridging units) may be given at the discretion of the relevant Head of School should a Stackable Credentials student be successful in gaining admission to an award course.

Please note that English competency is also a requirement for admission to a University Award at Curtin University.

Other than for Cross-Institutional inbound enrolment, unless otherwise approved by the Academic Registrar, Stackable Credentials enrolment shall be limited to a maximum of 50 credit points of simultaneous enrolment. Where the Stackable Credentials enrolment is pending satisfaction of Curtin's entry requirements, a maximum of 50 credits may be enrolled in simultaneously and cumulatively before those requirements are met. Where the Stackable Credentials enrolment is as a Cross-Institutional Inbound student, a maximum of 100 credit points may be enrolled in simultaneously.

Students are not required to meet normal University entry requirements to undertake Stackable Credentials units. However, acceptance of a Stackable Credentials Study Registration is dependent on approval by the School conducting the unit.

An individual enrolled in Stackable Credentials units will have no right of continuity of study beyond the period for which initial enrolment is approved.

- You must complete a Stackable Credentials Study Registration form (this form).
- You will be issued with an Enrolment Advice to confirm that your enrolment has been accepted. You are required to retain this as proof of enrolment.

Procedures for Enrolment

If you wish to enrol in Stackable Credentials unit(s) offered by different Schools, a separate application must be completed for each School. Enrolment must be completed within the official enrolment dates for the study period.

Additions and Withdrawals

You may add units up until the deadline stipulated in the Academic Calendar. If you withdraw from units before the published census date you will not incur academic penalties but financial penalties will apply. If you withdraw from units after the published census date you will receive either a "Withdrawn" or "Fail" grade (depending on the circumstances).

Assessment

Assessment is not compulsory for persons enrolled in Stackable Credentials units(s). It is not mandatory to fulfil formal assessment requirements or to attend the end of semester examinations. Examination timetables are published on OASIS. If you elect formal assessment you are required to attend the examination.

If you elect **not** to be assessed for unit(s) studied by Stackable Credentials, you **will not** subsequently be able to gain credit for the unit(s) attempted, (e.g. should you be successful in gaining admission into an award course).

Fees and Payment

Stackable Credentials students will incur a fee liability in accordance with University Policy for any enrolment in a given study period. Students are required to pay their Stackable Credentials fees on the date of enrolment. Payment options are available at <http://fees.curtin.edu.au/pay.cfm>

Refunds

If you withdraw before the semester commences, you will be entitled to a refund less 10% of the fees. If you withdraw after the semester commences but before the census date, you will be entitled to a 50% refund. If you withdraw after census date, no refund is due.
